

In Memoriam... Jim Goodwin

Our long-time friend and Highland Commerce Guild board member, Jim Goodwin, passed away suddenly and unexpectedly on Easter Sunday, 2015. You can view his obituary in the Courier-Journal [here](#).

Jim was a valued and trusted member of the Highland Commerce Guild. His enthusiasm for the success of the business district was unmatched. He worked diligently with business owners, neighborhood leaders and city officials to maintain the vibrancy of the Highlands business corridor. He will be sorely missed.

Jim's presence in the Highlands will be felt for many years to come. We vow to continue his efforts and honor his vision for a successful and vibrant Highlands Community.
